Historical prescription

SYNTHETIC DEMO DOCUMENT - NOT FOR CLINICAL USE

Patient: Demo Patient Age: 35 years

Document date: 2026-09-01

Recorded prescription: Metformin 500 mg once daily.

Second medicine name: [unreadable]

No information about current adherence is recorded.

This typed fixture tests extraction and uncertainty handling.

It does not benchmark real handwritten prescriptions.

Laboratory report

SYNTHETIC DEMO DOCUMENT - NOT FOR CLINICAL USE

Patient: Demo Patient Age: 35 years

Document date: 2026-10-01

Test	Result	Unit	Printed range / flag
Fasting glucose	112	mg/dL	70-99 / H
Hemoglobin	13.5	g/dL	12.0-16.0 / none

H is a flag explicitly printed on this synthetic report.

The assistant must preserve the result, unit and printed range.

No diagnosis, treatment or calculated risk is included.
